

Personal Information

Name: Garth Murray
DoB: 01.04.89
Address: Peachtree Park Dr NE Atlanta, Ga 30309
Contact: garthpmurray@gmail.com (407)921-4677

Personal Statement

I was born in California, grew up in West Plains Missouri, discovered the internet at a young age and realized that's where I wanted to make my career. A system that is built entirely on what I input and almost nothing else, fantastic! I also enjoy a career where driven, coffee addicted, insomniacs are promoted rather than shunned . . .

Technical/Software Skills

- Adobe Creative Suite, Autodesk 3D Studio Max
- PHP, HTML5/CSS3, jQuery, MySQL
- Comfortable in a Mac or Windows environment
- Comfortable in MVC environments (Yii, CodeIgniter)
- Comfortable with version control (Subversions primarily)
